- 3 years Scott Limber
- 2 years Dale Sheppard
- 2 years Julie Sheppard
- 2 years Nicholas Sheppard
- 2 years Mike Eilander
- 1 year Steven Holt
- 1 year Tom Nunheimer
- 1 year Nathan McCormick
- 1 year Michael Fitzgerald Jr
- 1 year Bruce Harrington Jr

TODAY A 2 YEAR OLD DATSUN 280-Z IS WORTH MORE THAN ITS ORIGINAL PRICE.
IT'S A FUEL-INJECTED INVESTMENT.

1978 DATSUN 280-Z. The first thing that grabs you is that long, sloping aerodynamic hood. The paint looks multi-layered deep. Liquid. Gleaming. You open the door and slip behind the wheel... and listen to the door close with the comforting thud of steel quality.

Before you is a fully-instrumented cockpit. Switches. Gauges. Controls to obey your every whim. Beneath you is a racing bred animal, electronic fuel-injection, rack and pinion steering—dedicated to pure driving adventure.

You are in our masterpiece. The Datsun 280-Z. You take off and feel the instant thrust of the powerful six-cylinder overhead cam engine. You corner, sure and flat, with fully independent suspension, and radials biting the road.

You switch up the power antenna, flip on the stereo, relax in the reclining bucket, and with just a touch of your toe, marvel to the instant response of a touch of your toe, marvel to the instant response of features are standard equipment on your Datsun 280-Z. You see, at Datsun we can get very passionate about a fine automobile. The 280-Z is our finest. We built it strong enough, fast enough, beautiful enough and affordable enough to make it the most popular sports car in the world.

Buy one now. It could be the most exhilarating investment you'll ever make. In 2 or 4 seats.

NOBODY DEMANDS MORE FROM A DATSUN THAN DATSUN. DATSUN WE ARE DRIVEN

Corvette tells you what's happening under the hood – an instrument panel crammed with gauges keeps you informed: water temperature, oil pressure, ammeter, tachometer, rally clock, brake system warning light, even a fiber-optic monitoring system for the running lights. The rest of the message you get from your fingers on the wheel and the seat of your pants. It's a meaningful man-machine relationship. **Corvette CHEVROLET**

The car that talks back.

GM

Our General Membership / Board of Directors Meeting Location

--- Please Join Us At ---

Pietro's Italian Restaurant

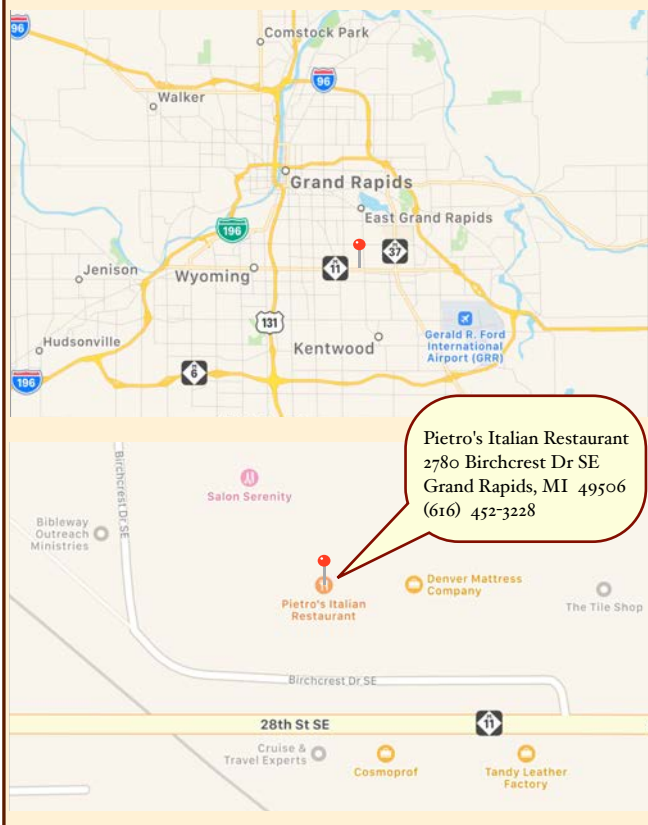

2780 Birchcrest Dr SE, Grand Rapids, MI

For the “off season” September thru April, we typically meet the 2nd Saturday of the month with an optional dinner at 6:00pm followed by the meeting at 7:00pm.

Western Michigan Region, SCCA

Grattan Raceway is a 2.0 mile long winding, hilly road course with 10 very challenging corners. Uphill, downhill ascending and descending radius turns, Monza bowl, esses, a hidden apex hairpin, and a downhill reverse camber corner, makes for a very FUN course.

WMR SERVICE AWARD PROGRAM

Available Credits and Redemption Information

Credits earned with our Service Award Program may be carried over for the most recent two consecutive years.

SOME OF OUR MEMBERS (see below on the next page) have **unused banquet tickets and credits earned in 2017 and 2018**. The 2018 banquet tickets may be used for our next Banquet and the both the 2017 and the 2018 credits can be used for SCCA Merchandise or applied to your 2019 membership renewal fees. (The 2017 credits however, will expire when the new plan year begins on December 1, 2019.)

To use your credit for merchandise.

Review and note the item(s) at sccagear.com, then contact Dave Ferris, our club Treasurer, at 1988irocz28@gmail.com with the product information. He will verify your available credit, ask you to confirm the item number, size, color, etc, and ask you to send a check to him for the balance. He will then place the order to be shipped directly to you.

To use your credit for membership renewal.

When you receive your membership renewal information in the mail, contact Dave at 1988irocz28@gmail.com to verify the amount of credit available. Then mail the renewal form and a check for the difference between your renewal amount and the available credit to Dave. He will forward it to SCCA where it will be processed.

Mike King Named SCCA's Next Director of Solo and Rally

TOPEKA, Kan. (August 28, 2019) -- Sports Car Club of America® is excited to announce that longtime Solo competitor and Club member Mike King has been selected to serve as SCCA's next Director of Solo and Rally. October 1 is when King, a multi-time Solo® champion, will officially take on his new role.

In his new position, King will be tasked with planning, directing and coordinating the activities of the Rally and Solo competition departments. He will oversee development of new programs, products and services, as well as develop new approaches to existing programs, products and services. The incoming Director of Rally/Solo will begin a new chapter for the programs, building on a solid foundation with a focus on member experience, operational excellence, technology and program development. He will also serve as a member of SCCA's senior staff in the establishment of strategic and operational plans for the organization.

"Motorsports is a strong passion of mine and has always been since discovering it through the Sports Car Club of America almost 30 years ago," King said. "From my very first experience at an SCCA Solo event, the Club has been an integral part of my life. To now have the opportunity to work every day on these incredible programs at the national level is nothing short of amazing for me. I look forward to working with the team to achieve the common goal of providing SCCA's members the best Rally and Solo program experiences possible."

An SCCA® member for nearly 30 years, King is a four-time Tire Rack Solo Nationals Champion, two-time Tire Rack ProSolo National Champion, and a two-time Solo Triad Award winner. Beyond involvement in both SCCA Solo and Road Racing activities, King has been active in the Club as a member of the Buccaneer Region Board of Directors, an Assistant Regional Executive, Regional Solo Chairman and Event Chairman for Divisional, National Tour and ProSolo events. He has also worked as an Event Manager for Evolution Performance Driving School, and SCCA's Starting Line and Track Night in America Driven by Tire Rack programs.

King brings to his new position a wealth of useful professional experience, too. As Chief Digital Cartographer at MAPCO, a large regional map company, King managed a diverse team of cartographers and graphic artists

for several years before becoming the company's President tasked with developing new strategies and vision to modernize all facets of production, oversee budgets, expand into new markets, and create products that were both new and innovative. He went on to become founder of HomePhotoPro, a company that develops and manages real estate photography services. King has also been the Owner and Managing Broker of HomePro Realty where he oversaw all aspects of the company.

Eric Prill, SCCA Vice President and COO, noted that "our announcement of the restructuring of the Rally/Solo department leadership brought out some great candidates with a variety of backgrounds. In the end, Mike's experience and blend of business, leadership and relationship skills makes him a perfect fit to lead these programs into the future. While Mike's name is certainly well known to the Tire Rack SCCA National Solo community, he also brings a passion for our regional activities, which is a critical component in SCCA's strategic framework."

It was in June 2019 that SCCA® announced a restructuring of Rally/Solo Senior Management as program leader Howard Duncan, who joined the staff in 1990 and has been instrumental in the creation and continued development of the National Solo program, shifts his focus to the newly-created Sr. Manager of National Solo Field Operations position.

"I am looking forward to being able to concentrate my efforts on the Tire Rack SCCA National Solo program and to having the new Director bring a fresh perspective to business operations and the development of the Solo and Rally programs throughout the country at all levels," Duncan previously said. "As the complexity and reach of all of these programs has grown over the years, it became increasingly clear to me that we needed to take this approach to see the Club grow to its full potential."
